Banking Information Registration (Domestic Banks) 8

INTRODUCTION

Welcome, Supplier!

It is a pleasure for Volaris to provide you with this new Supplier Registration Guide for the Volaris Ariba Network. This manual is designed to give you a detailed overview of the onboarding and registration process on our SAP Ariba collaboration platform—an essential step for participating in Volaris' Purchasing processes. Throughout this guide, you will find clear and concise instructions to help you efficiently complete each stage of the registration process.

THE FIRST THING YOU NEED TO KNOW

From now on, in order to collaborate in Volaris' Purchasing processes and keep all your information up to date to ensure a correct payment process, you are required to complete a series of simple steps to register on the Ariba Network (SAP Ariba's collaboration portal) and also register as a Volaris supplier.

The process is as follows:

1. Create an account on Ariba Network
2. Complete your Volaris registration form

3. Review by our team and feedback / approval

Ariba Network is SAP Ariba's supplier portal. From now on, it is required to be registered on this platform to interact with Volaris.

This section will cover the following topics related to the registration and use of Ariba Network:

a) Invitation and registration on Ariba Network for Volaris

i. If you do not yet have an Ariba Network account

ii. If you already have an Ariba Network account

b) Navigating Ariba Network for Volaris

a) Invitation and registration on Ariba Network for Volaris

First, check your email inbox to see if you have received the invitation email. If you do not find it in your inbox, we recommend checking your spam or junk mail folder—always review both locations. Please note: this email will be sent automatically by Ariba, so you should not reply to it. The email format you will receive will be as follows:

i. If you do not yet have an Ariba Network account

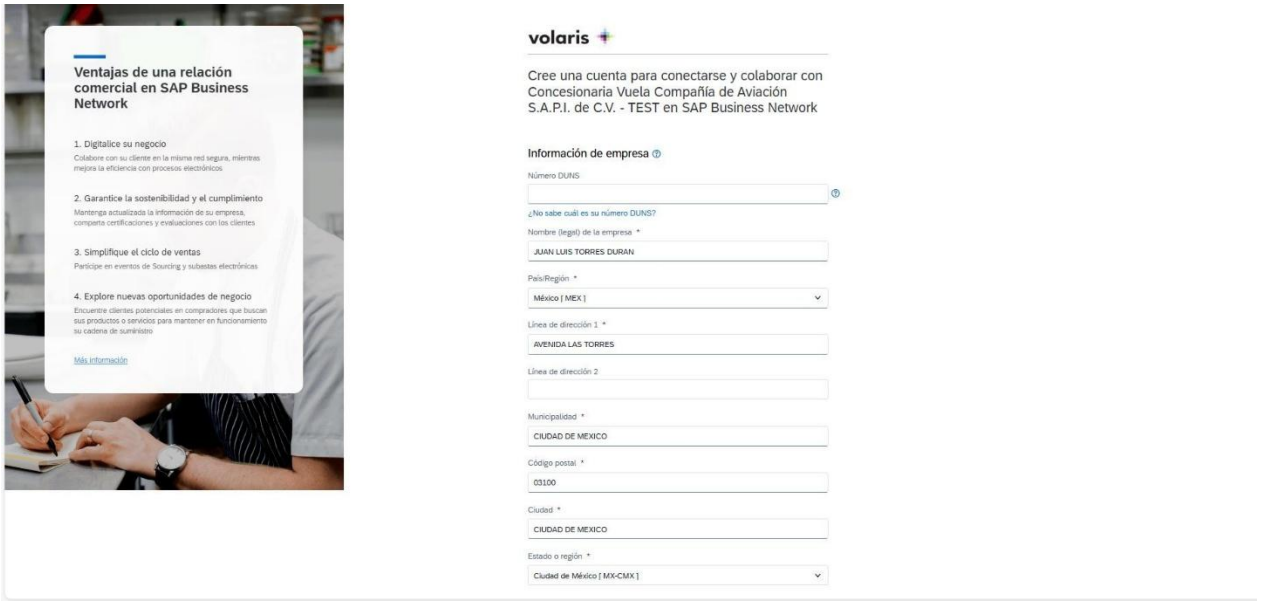

Once you click on the link in the email, you will be directed to the page shown in the image below, where you must click on "Create New Account."

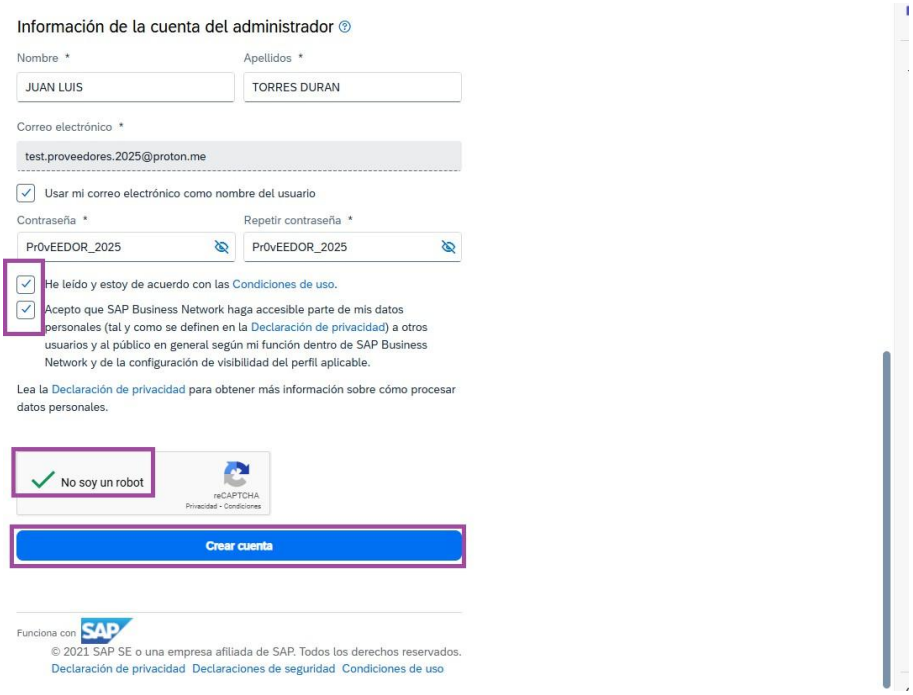

You must complete the account creation form with the requested information. Make sure to enter all details accurately.

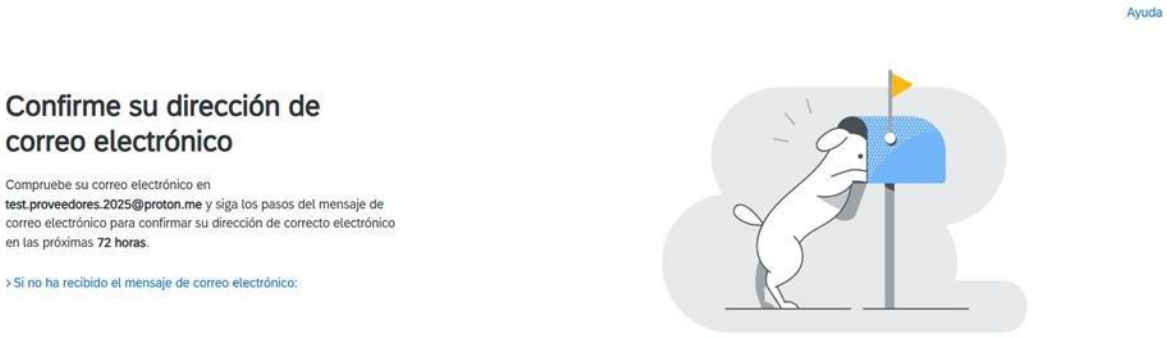

The DUNS Number field should be left blank.

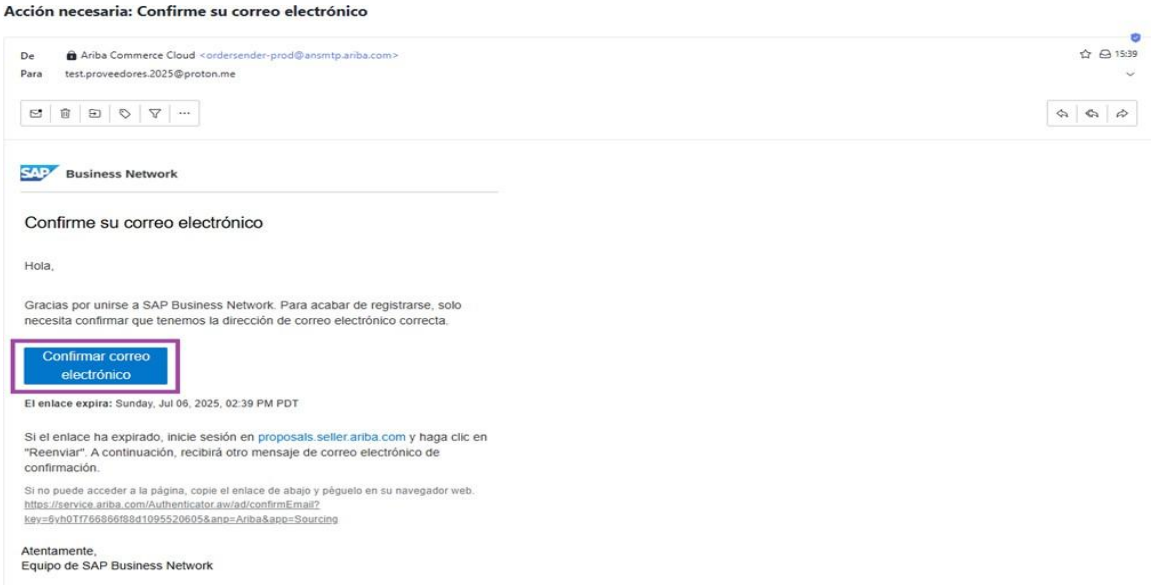

You must complete the required information and accept SAP's "Terms and Conditions" of use at the bottom of the page. Once you have verified the information entered in the form, click on "Create Account" at the bottom of the page.

Below is the Email Confirmation screen:

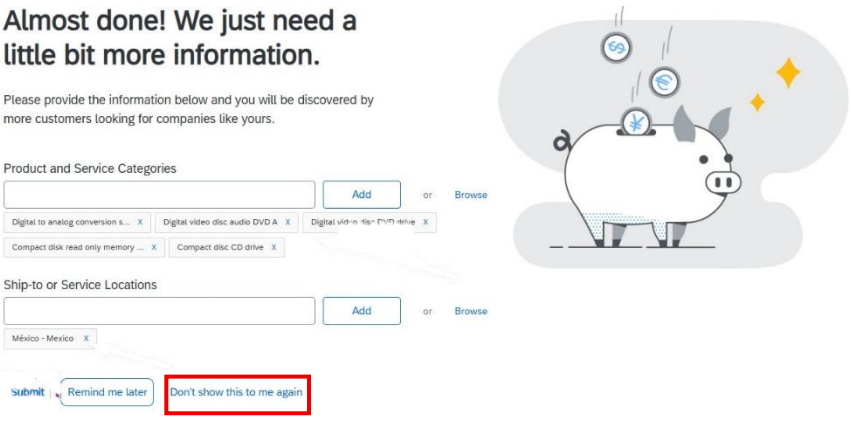

For your registration in Ariba Network to be valid and to continue with the process, it is essential that you confirm your email address. If this step is not completed, any action taken or information entered will not be considered valid, and you will not be able to proceed with the registration.

Once your registration in Ariba Network is completed, you will receive an email with your credentials. Important:

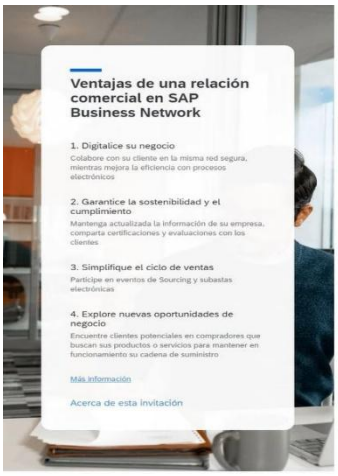

Make sure to keep this information secure, do not share it with anyone, and always keep it accessible, as it contains all the following details:

On the following screen, click on “Don’t show me this again.”

ii. If you already have an Ariba Network account

Once you click on the link in the email, you will be directed to the page shown in the image below, where you must click on “Use Existing Account.”

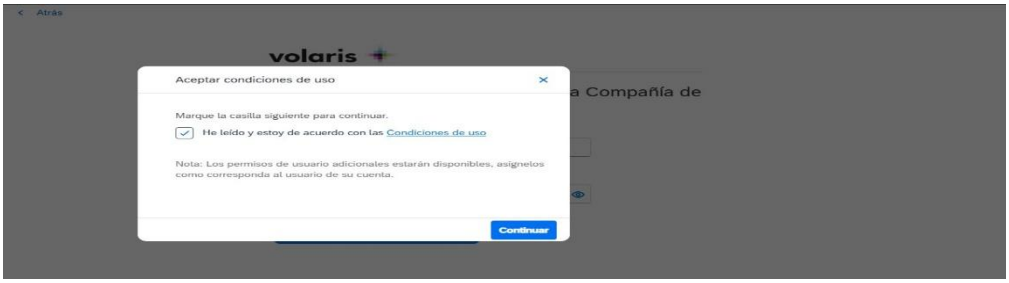

Enter your Ariba Network login credentials.

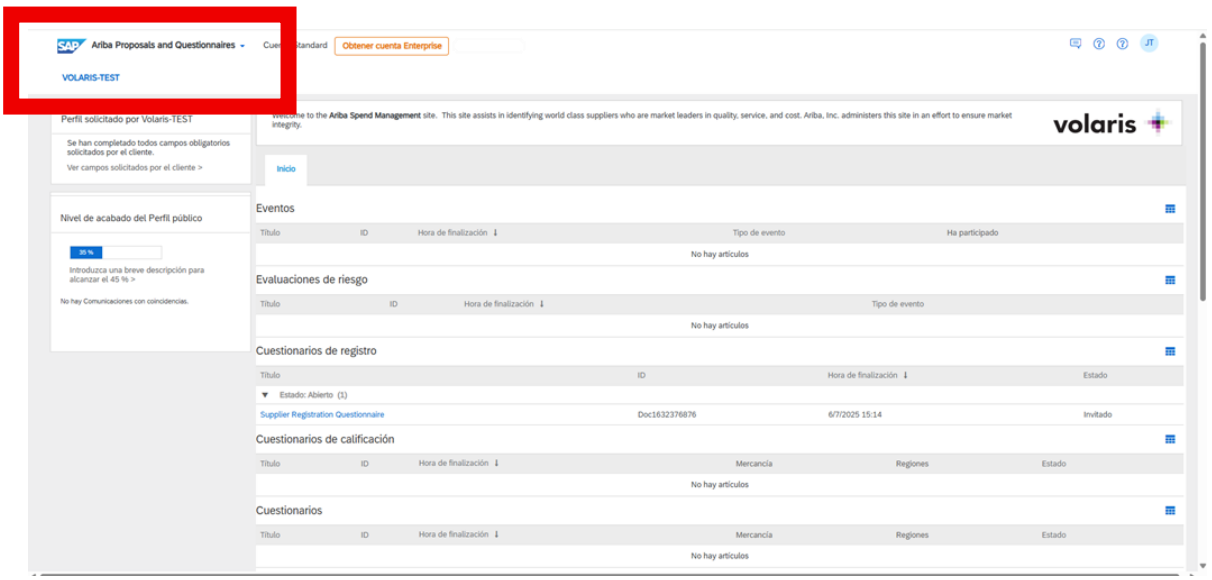

Select the corresponding checkbox to accept the Ariba Network terms of use in order to continue:

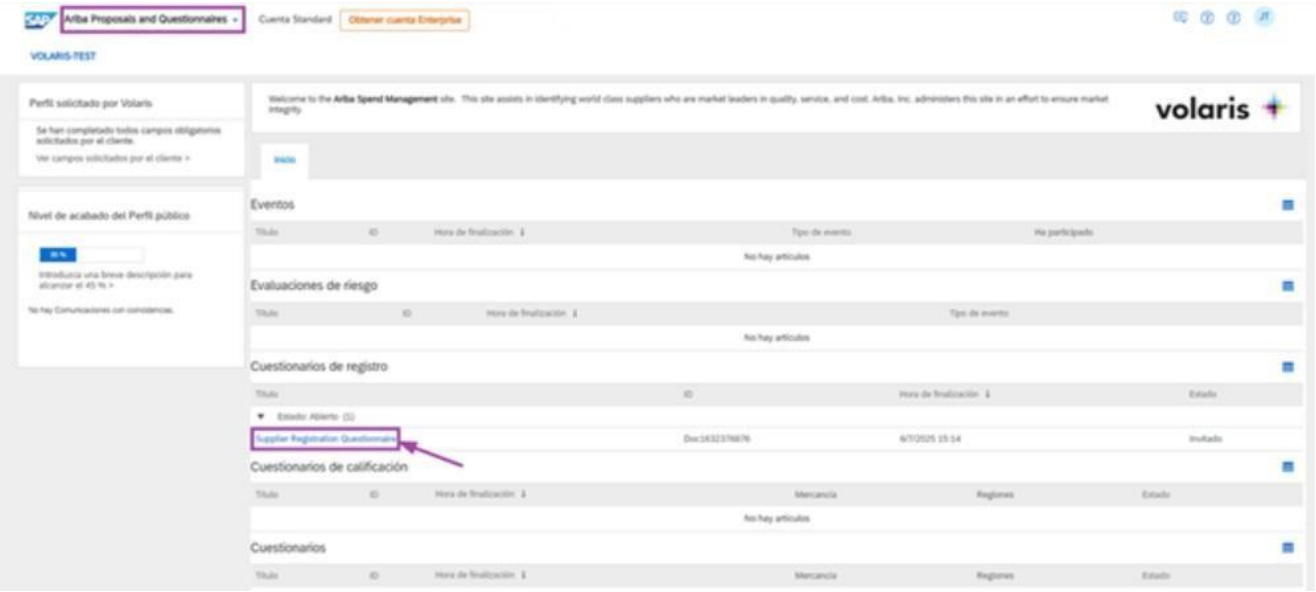

b) Ariba Network Navigation for Volaris Suppliers

After logging in to the Ariba homepage, it is important to verify that you are on the "Ariba Proposals and Questionnaires" screen and that the customer selected is Volaris. You will be on the page where you can access the Volaris registration form, as well as any events (RFI, RFP, auctions) to which you are invited, among others.

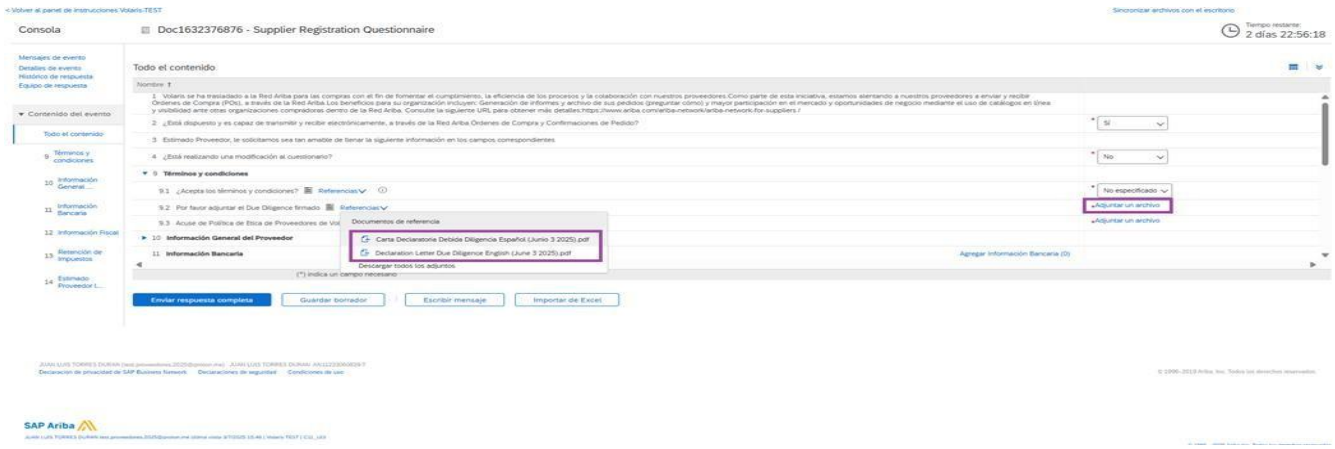

2. Complete the Volaris Supplier Registration Form

Once you have activated your Ariba Network account, you must complete the Volaris registration form. To do so, from the Ariba Network account home screen, select the “Ariba Proposals & Questionnaires” tab, where you will find the registration questionnaire that must be completed in order to continue with the process.

In section 9, item 9.1, download the “Terms and Conditions” document.
We recommend that you read it carefully to fully understand and agree with the established conditions.

In sections 9.2 and 9.3, download the “Due Diligence” and “Supplier Code of Ethics” documents.
These documents contain important information regarding the standards and responsibilities within the business relationship.

Complete all required fields in the downloaded documents. Each document must be duly signed by the legal representative and uploaded in the corresponding sections within the platform.

Banking Information Registration (Domestic Banks)

For the completion of the "Banking Information" section, please be prepared to provide the following information:

- Account holder name
- Bank name
- Bank country
- Account number
- IBAN (just if applicable by country)
- Currency

Required Documentation

Before starting the process, please ensure you have the following documents available in PDF format or as a clearly legible image:

- Bylaws
- Tax Residency Certificate
- Tax ID number
- Form W-9 or Form W-8BEN (as applicable, for USA or Europe only)
- Legal representative identification

(Passport, National Identity Document, or Citizenship document

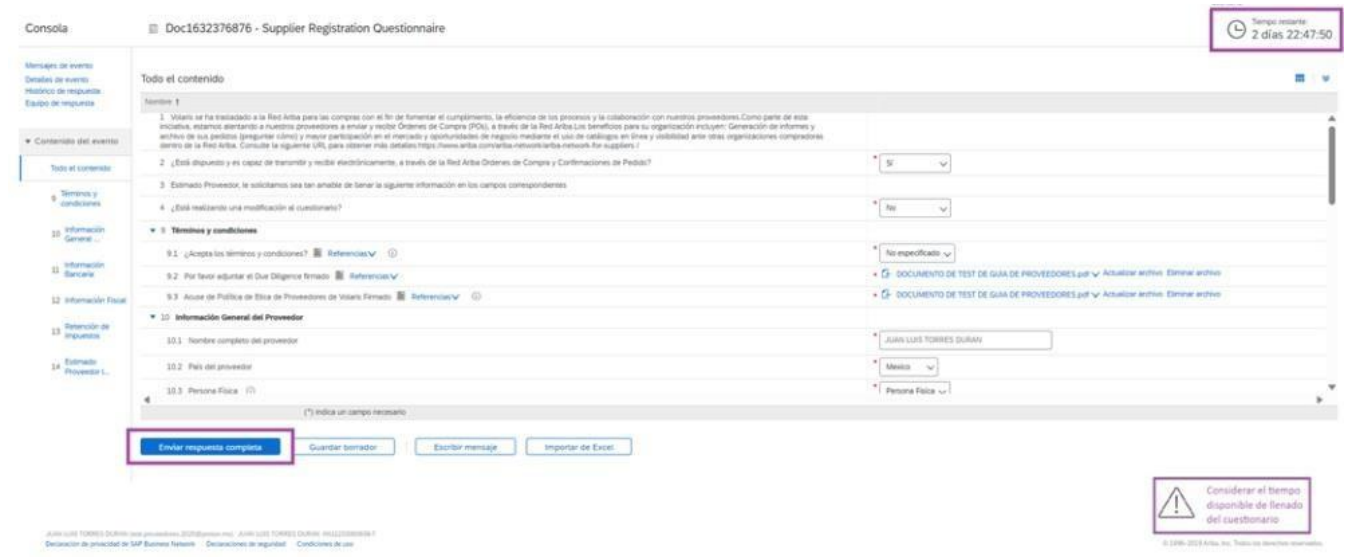

- Document certifying the powers of the legal representative or attorney-in-fact

(Certificate of Incumbency or equivalent document)

- Bank account statement

if a bank account statement is not available, a letter issued on official bank letterhead must be provided, including the stamp and signature of the account executive.

Take one final moment to review that all the information entered is correct and complete, and then click on "Submit Full Response."

Important: You may complete any additional information you consider relevant and save the questionnaire as a draft to continue later. To do so, simply select "Save Draft."
